

Introducing the StartRight Club

Give your teen a strong financial foundation with smart money management habits.

Access smart tools that make it easy for you and your teen to manage their money. With PrimeTrust StartRight Checking, your teen receives convenient, on-the-go access from a smartphone, laptop, or tablet. While parental controls allow you to link their account to your online banking profile to stay on top of spending and saving habits.

StartRight Checking is designed for teens between the ages of 11-17 to help prepare them for financial life in the real world.

PEACE OF MIND

Intuitive parental controls

Stay on top of your teen's spending and savings habits.

StartRight Checking's built-in online account management tools give parents real-time visibility into how their teens are managing their money.

• Link your child's StartRight Checking account to your PrimeTrust digital banking profile to review debit card transactions and account withdrawals and deposits as they happen.

• Set up SMS text message alerts to receive real-time balance and transaction alerts to your mobile phone.

• Add notes, tags, and images to any transaction inside your PrimeTrust digital banking profile.

• Turn debit card access on or off from PrimeTrust online banking or mobile app.
